Miracle League Field Fundraiser

Organized by Minnetonka Girls Softball

Minnetonka Girls Softball Association is proud to partner with West Metro Miracle League to update the Miracle League Field in Minnetonka - and we need YOUR help! We are fundraising $350,000 to install a new field surface for our Miracle League teams. West Metro Miracle Athletics (WMMA) provides super-special athletes in the west metro suburbs with ANY cognitive and/or physical challenges an opportunity to play organized sports.
